TITLE: FACILITIES PLANNING

ADOPTED: May 12, 1987

REVISED:

701. FACILITIES PLANNING	
<p>1. Purpose Title 22 Sec. 5.151</p>	<p>Long range planning is desirable and is required by State Board of Education regulations. Community involvement is an important part of such a process. Facilities planning is a primary component of long range planning.</p>
<p>2. Authority SC 1351</p>	<p>The Board shall annually between March 1 and September 1 conduct a census of all the children from birth to 18 years living in the district. The Board will employ as many enumerators as may be necessary for that purpose.</p> <p>Information gathered in the census shall include for each child the name and address of his parents or guardians and such other information as the Board may require to operate the district efficiently and fairly.</p>
<p>3. Delegation of Responsibility</p>	<p>In order to inform the Board of the future needs of the district, the Superintendent shall prepare a written description of existing physical facilities and shall:</p> <ol style="list-style-type: none"> 1. Annually report to the Board on the number of resident pupils attending private school. 2. Report to the Board on the enrollment by grades during the school year. 3. Estimate each spring the number of students who will be enrolled in the schools of the district in September of the year for which the estimate is made. 4. Prepare student population projections and compare the actual population figures to the previously projected figures to detect early for the benefit of the Board any changes in population trends
